Take Home Sheet

Today was amazingly awesome!

Here's what we did:

- Learned the verse for the week from Psalm 24:1 "The earth is the Lords and everything in it, the world and all who live in it."

Today we heard a story from the New Testament that reminded us that while we might be afraid, we don't have to be, because God is with us and cares for us. The story we learned about today was when Jesus calmed the storm.

Here's another great Storybook Bible that we are sharing Bible stories from! *Children of God, Storybook Bible* by Archbishop Desmond Tutu.

- We continue to learn about what it means to be an Earth Keeper, a keeper and protector of all that God created, and all that God loves!!

Sign In/Sign Out updates:

Sign in: Remember to ***sign in your child*** each morning at the sign in table at the front of the church. This is where your child can pick up their name badge, drop off their offering in the offering jar and then head over to the opening station alongside the church.

Registration will begin at 9:20am.

Sign out: We are moving closing to make the signing out/picking up a little easier. When **picking up your child**, please come to the front of church to sign out your child. (Please note: if a different person is picking up than dropping off we need to make a note at sign in). After signing out your child, please wait in the back alongside the church, when closing is wrapped up on the lawn, we will let you know when it is safe to come get your child. Thank you!

Keep reading on the next page!

Don't forget ...

- Don't forget to send a reusable water bottle, beach towel, and a mask along with your child tomorrow! Also, it will be easier for your child to carry these items and keep track of them if they have a small tote or backpack for the week.
- Your **change offering** for the offering jar to help preserve God's creation and plant trees around the world!
- Does your child need a Bible? Please let Pastor Kendra or Sharon at the registration table know.
- **Service project and craft update:** On Tuesday and Thursday, the children will be working on a service project to share with the community! We're pretty excited about this project and can't wait for you to see it on Thursday and Friday after it's complete! This means that on these days, there will not be a craft sent home.
- **Snack update:** Who loved yesterday's snack!? Today is another special treat with a delicious and refreshing fresh fruit cup that was made and provided by *Market Basket Deli*! We hope that you enjoyed today's treat!

Are you curious about the songs we've been singing? So far this week, we've been singing songs from:

- Little Praise Party & Yancy: Hosanna Rock, Love One Another, Brand New Day
- Yancy: Deep, Deep Love, Wherever I go
- Yancy & Little Praise Party: Praise the Lord Everyday
- God's Kids Worship Band: This is the Day
- Bryan Sirchio: Everybody's Always Welcome Here

Pictures, stories and more!

- We would like to share pictures on social media and our website after this week if over! Please let us know if you DO NOT give us permission to share pictures of your child on social media. Either email pastorkendra1@gmail.com or let us know at sign in. (We do not attach names to the pictures).
- We would love to hear from you about how your child is enjoying the week, what they're learning and how much fun their having! Share your pictures or stories with PK by either texting or emailing her.
- Highlight of the volunteers so far this week: each day after you all go home, the volunteers meet to recap the day and share what worked, etc. Everyone has noticed and pointed out how AMAZING your children are doing this week! They are so kind and considerate, caring and it is such a gift to be able to spend the time each morning with them! We continue to remain safe and say thank you for trusting us with your child this week!

If you have any questions, concerns or need anything, please let Pastor Kendra know! Also, at any point if you or your child has questions about anything we are learning this week, PK is more than willing to talk with you!

Have a great afternoon! We'll see y'all tomorrow!

Earth Keeper tip for today: Eat Those Leftovers! After the holiday season you will likely have leftovers from Christmas & New Years. A great way to be a steward to the Earth is to consume your food. Did you know that Americans throw away 25% of the food they buy? Not only is this a waste of money but it is also harmful to the environment. Producing food takes land, water, and heavy machinery. By eating your leftovers you are not only saving money but also preventing energy waste from food production. Not to mention you are keeping them from taking up space in a landfill.
